

### MEET MOBILE - INSTRUCTIONS

CYMS St Edmunds Swimming Club uses Meet Mobile application (app) to display Club Night meet results in real time as data is received during meets from the timer (one heat at a time).

This allows you to follow your favourite Swimmers & Team - Flag swimmers and/or teams as "favourites" and then easily filter down to see both completed results and upcoming schedule.

Meet Mobile is generally used also for all swimming meets external to club nights. Search swim meets in your local area to follow the action live, as it unfolds.
