

## TEAMAPP - INSTRUCTIONS

CYMS St Edmunds Swimming Club runs TeamApp as our major communication tool for the club. TeamApp has push communication from the Race Secretary and the St Edmunds Coaches.

To access TeamApp download the App (free from the AppStore). Once the App is downloaded search for the CYMS St Edmunds. This is most significantly used for the following items:

1. **CLUB NEWS** – For general communication that applies to all personnel within the club.
2. **SCHEDULE** – All sanctioned carnivals and relevant support information. These carnivals have coach attendance.

  - CYMS Club Members Non Squad Swimmer
  - Tiny Torpedoes Squad
  - Little Legends Squad
  - Talent Squad
  - Target Squad

**NOTE: The St Edmunds Coaches will not reply to chat or communication thru this. Other than provide notifications. Please email them or speak to them directly if you need to talk to them.**
